MOTION FOR MODIFICATION OF TERM OF IMPRISONMENT

TO THE HONORABLE JUDGE Reed O'Conner

COMES NOW Mark Anthony Peysen, the Defendant, pro se, and respectfully moves this Honorable Court, pursuant to Compassionate Release?Reduction in Sentence:Procedures for Implementation of 18 U.S.C. §§3582(c)(1)(A) and 4205(g).An CARES ACT.

In support thereof, the defendant states as follows:

1. On February 22, 2016, the Defendant was sentenced to a term of imprisonment of 180 months, by this Honorable Court on one count of conspiracy to Distribute a Schedule II Controlled Substance in violation of 21 U.S.C. § 846.
2. Pursuant to the Plea Agreement Defendant has up to this date 04-7-2020 has payed assessment of \$100.00. Defendant has also completed Institutional Drug Treatment Classes both 14 hour and 40 hour.
3. Defendant has also completed several faith based programs as well as NA/AA as allowable at each unit.
4. Defendant also has taken and completed a vocational EPA HVAC Training Program and other classes. The Court may consider Post-Sentencing Conduct.
5. Defendant has worked at all times since being received in BOP. Has not been in any trouble and demonstrated favorable conduct at all times and received no scores for behavior.
6. Defendant is 59 years old and had Hep-C when admitted to BOP, prior to incarceration defendant was hospitalized for pneumonia /a acute inflammatory disease. Doctors said on my release that im immune compromised and suffer from multiple chronic

conditions that are in flux and predispose me to potentially lethal complications and defendant assumes that if he were to contract COVID-19 I he would likely not be able to overcome it for lack of fighting off the infection. Defendant was in hospital for over two weeks at the time. His records can be subpoenaed from Doctors Hospital, 231 South Collins Rd, Sunny Vale, 75182- 972-892-3000.

7. Defendant is housed at Forrest City, AR Low/Camp and as of April 2, 2020 we are locked down and this unit has several cases of the COVIN-19 Virus. Defendant has mail letter to Warden but for fear of the speed at which this which virus is spreading I had to address the court with my issues. Defendant cannot practice effective social distancing and hygiene to minimize my risk of exposure. This leaves me vulnerable to infection if I contracted it and had been compromised.

8. the circumstances I face in this prison system are highly contagious, potentially global pandemic are precedented. Its not a stretch to call the conditions and environment "Extra ordinary and Compelling" At my Age and condition I would not recover.

9. Defendant has a home at 3217 Euel, Wichita Falls Tx, 76306. I am married and have a Construction Company, MAP Construction. I would stay in home till outbreak is over. Then start to work and continue to serve my time as a productive member of society and not use drugs or be around people who do them. Fulfilling my obligations to the Court.

Wherefore, based on conditions and health of Defendant I pray the Honorable Court to Grant this Motion and reduce sentence to Home Confinement.

Respectfully Submitted on this 7 day of April, 2020.

SUBJECT: (Briefly state your question or concern and the solution you are requesting. Continue on back, if necessary. Your failure to be specific may result in no action being taken. If necessary, you will be interviewed in order to successfully respond to your request.)

Sir, I am 59 yrs old and even before entering BOP, I was in Hospital 15 day with severe respiratory problem compound by the pneumonia. I was in Doctor Hospital in Sunny Valle, Tx. I was told on leaving there my system would not handle anything like it again. Along with Hep-C my system is very compromised. You sir can grant me compassionate release. I'm susceptible to the dava stating effects of COVID-19. I have worked all the time here. Never had a case. And respected all and help educate myself and done all drug classes. Please help me in this matter.
